Re: Election Results

Per the request of our client, Kansas City Barbecue Society, we have implemented our online voting system solution to authenticate voters and tabulate results for the following election:

2025 KCBS Board of Directors Special Election

After completing an audit process, Vieth Consulting LLC certifies that during the voting period, that our online voting system performed correctly.

The system experienced no downtime, and no cyber security issues were observed. Multiple databases were checked for tampering, and the results indicate the online vote was conducted fairly and honestly.

The election results are included below.
